

# InstallationMasters™ Registration Form

(All independently sponsored classes)

This form must be filled out by all Certification candidates and Non-Certification participants who intend to participate in the InstallationMasters™ Training and Certification Program. All candidates who meet the certification requirements, and complete the course will be provided with a test at the end of the two day training session. See experience requirements at left.

In addition to this registration form, Certification Candidates must provide the sponsor with the following materials:

- Original color or black and white photo of yourself (clear head shot, which can be purchased at locations where passport type photos are sold)
- Copy of signed photo identification (Driver's License, Identification Card, etc.)
- A personal check in the amount indicated below, unless otherwise directed by the sponsor
- Certification Candidates are required to have a minimum of 12 months experience installing windows and doors in residential/light commercial applications. **Provide a letter from a past or present employer or other verifiable evidence to show compliance with this requirement.** Non-Certification Participants may omit this step as they will not qualify to take the test.

Certification Candidate     Non-Certification Participant     Trainee
